

# Your vehicle deserves the best

## MAX<sup>G+</sup>

CERAMIC NANO COATING

**Lifetime Warranty - 9H+**

System X Max G+™ provides super-slick and glossy paint protection with previously unachievable levels of gloss, durability, hardness, and chemical resistance.

Also available in: **MF Matte Friendly**

## PRO<sup>+</sup>

CERAMIC NANO COATING

**6-Year Warranty - 9H+**

A revolutionary advance in paint protection, System X Pro+™ Ceramic Coating imparts a durable, color-enhancing gloss that protects exterior surfaces for years to come.

## LVP

LEATHER, VINYL & PLASTIC

**3-Year Warranty**

System X LVP™ utilizes advanced flexible nanotechnology to provide warranted protection against common spills and stains on leather, vinyl, and plastic surfaces. System X LVP™ preserves your interior's natural look and feel.

## REVIVE

CERAMIC NANO COATING

System X Revive™ brings plastics and trims back to life and protects from future UV fading. Revive™ acts just like our other ceramics, providing ultra-hydrophobic properties and protection. This product is known to bring out the deepest black of factory trim and vehicle plastics.

## TEXTILE

CARPET & FABRIC

System X Textile™ creates a high-tech ultra-hydrophobic protective barrier on stain-prone automotive interior carpet and fabrics. Spills and stains clean up easily. System X Textile™ protects while retaining your interior's natural look and feel.

## GLASS<sup>+</sup>

CERAMIC GLASS COATING

System X Glass+™ coating protects your windshield, windscreen, windows, mirrors, glass headlamps, and other glass surfaces from micro scratches while multiplying the surface's hydrophobic properties for two full years. System X Glass+™ keeps surfaces cleaner and clearer while improving driver visibility.

### Application Versatility

System X® products are specifically formulated to enable application on virtually all dirt and corrosion-prone surfaces of your car. That means powerful protection for everything from steel and aluminum to leather, vinyl, fabric, and glass.

### Long-Lasting Beauty with Minimal Maintenance

The unique formula of System X® locks in long-lasting beauty with ultra-clean surfaces and gloss retention. The result? Greatly reduced time and expenses related to ongoing care and maintenance.

### UV Ray Protection

The sun is relentless in its assault on your automobile's appearance. System X® provides maximum UV ray protection for paint, to prevent unsightly damage associated with aging and fading colors.

### Protection from Harmful Corrosives

From salt to sand, exhaust fumes, pollutants, insect contaminants, moisture and UV rays, your automobile is vulnerable to element-related corrosion. In bonding to the substrate, System X® provides a semi-permanent ceramic coating that won't wash off.

# Your aircraft deserves the best

## MAX<sup>G+</sup>

CERAMIC NANO COATING

### 10-Year Warranty - 9H+

Our revolutionary new aviation coating technology delivers up to 2X strength, 4X thickness, and 2X durability of previous coating technologies. System X Max G+™ retains a super-slick and glossy look while protecting your aircraft paint from the harsh aeronautics environment for a full 10 years. Having passed rigid Boeing approval testing, System X Max G+™ minimizes corrosive effects.

Also available in: **MF** Matte Friendly

## LVP

CERAMIC NANO COATING

### 3-Year Warranty - 9H+

System X LVP™ utilizes advanced flexible nanotechnology to provide warranted protection against common spills and stains on leather, vinyl, and plastic surfaces. System X LVP™ preserves your aircraft's natural interior look and feel.

## GLASS<sup>+</sup>

CERAMIC GLASS COATING

System X Glass+™ coating protects your aircraft windshield, cabin windows, and other glass surfaces from micro scratches while multiplying the surface's hydrophobic properties for up to two years. System X Glass+™ keeps surfaces cleaner and clearer while improving visibility.

## TEXTILE

CARPET & FABRIC

System X Textile™ creates a high-tech ultra-hydrophobic protective barrier on stain-prone aircraft interior carpet and fabrics. Spills and stains clean up easily. System X Textile™ protects while retaining your interior's natural look and feel.

### Protection from Harmful Environmental Elements

System X® Aviation Ceramic Protection provides an extremely durable ceramic coating that won't wash off — thereby ensuring long-lasting clean surfaces and gloss retention, as well as years of paint protection.

### Enhanced Performance in Keeping Your Aircraft Clean

System X® Aviation Ceramic Protection improves laminar flow and reduces drag for increased fuel efficiency.

### Long-Lasting Beauty with Minimal Maintenance

The unique formula of System X® Aviation Ceramic Coatings brings out the full luster and sheen of your aircraft's finish and extends paint life. The result? Greatly reduced cleaning and repainting expenses.

### Application Versatility

System X® Aviation Ceramic Protection can be applied to all of your aircraft's painted exterior surfaces. By permanently bonding to the paintwork on a nano-level, an extremely durable, crystal clear ceramic finish is formed.

# Your watercraft deserves the best

## MAX<sup>G+</sup>

CERAMIC NANO COATING

5-Year Warranty - 9H+

System X Max G+™ provides super-slick and glossy paint protection with previously unachievable levels of durability, hardness, and chemical resistance. Thicker than any coating, Max G+™ is ready to protect in the most extreme marine environments.

Also available in: **MF** Matte Friendly

## XTREME<sup>SS</sup>

SUPER SLICK CERAMIC COATING

5-Year Warranty - 9H+

Providing extreme hardness and resilience for boats and water vessels of all kinds, System X Xtreme Super Slick™ Ceramic Nano Coating is our most effective coating for protection against friction, heat, and solvents. Incorporating the industry's most durable ceramic technology, it offers years of protection.

## GLASS<sup>+</sup>

CERAMIC GLASS COATING

System X Glass+™ coating protects your windshield, windscreen, windows, mirrors, glass headlamps, and other glass surfaces from micro scratches while multiplying the surface's hydrophobic properties for two full years. System X Glass+™ keeps surfaces cleaner and clearer while improving driver visibility.

## LVP

CERAMIC NANO COATING

System X LVP™ utilizes advanced flexible nanotechnology to provide exceptional protection against common spills and stains on leather, vinyl, and plastic surfaces. System X LVP™ preserves your watercraft's natural interior look and feel.

### UV Ray Protection

System X® provides maximum UV ray protection for paint, gelcoat, and stainless steel to prevent unsightly damage associated with aging and fading colors.

### A Shield Against Corrosives

System X® Marine Ceramic Protection treats surfaces like metal and gelcoat with water-resistant properties that prevent spotting and make cleaning dirt and debris fast and easy.

### High Gloss and Application Versatility

System X® Marine Ceramic Protection is highly effective on a variety of surfaces, imparting a high gloss and bringing out the full luster and sheen of your boat's finish.

### Highest Degree of Hardness

System X® Marine Ceramic Protection registers over 9H on the industry's hardness scale — equating to a coating hardness that provides an exceptional level of paint protection.
