FINANCIAL POLICY

Workers' Compensation Patients

The employee is responsible to report a workers' compensation injury in writing within four (4) days.

The employer is responsible to fill out and mail a first report of injury to their insurance carrier within 10 days of injury notification.

The insurance company is responsible to pay within 30 days of receiving the workers' compensation bill.

If the employer fails to file the first report of injury, the employee must file his/her own first report of injury or be responsible for the bill.

If the insurance carrier denies the claim for any reason, the patient will be responsible for the bill.

In-Network Insurance

Please note that you are responsible for your copay, if applicable, at time of service. We will submit your insurance claims for you. You may have a deductible to meet or a co-insurance percentage that will be billed to you. Your costs will be determined upon completion of claims processing according to your individual insurance plan. If coverage is denied for any reason, you will be responsible for the entire amount of your bill.

Out-of-Network Insurance

If we are not a preferred provider for your insurance company, you may elect to pay the cash-pay rates. Cash-pay rates are as follows and all payable at time of visit:

\$95.00 per visit

\$85.00 for 5 visits = \$425.00 (expires one year from purchase date)

\$80.00 for 10 visits = \$800.00 (expires one year from purchase date)

Cash pay package rates are non-transferable nor refundable.

Dry Needling

Dry needling is not a billable charge or service covered by commercial insurance companies. If you would like to receive this service, an additional \$40 will be charged and paid at time of service. If you are receiving physical therapy services at a cash pay rate, no additional fee will be incurred.
