This \$200 Waitlist Fee is subject to the terms and conditions below. The purpose of this fee is to be added to our waitlist of approved buyers for Maine Coon kittens from Aristocat Coons Cattery. Once a kitten is chosen, this fee will be deducted from the deposit portion of the kitten's price.

The Breeder agrees that if you are listing a specific color or gender, and we do not produce a kitten matching those specifics, we will refund the waitlist fee of \$200 after 12 months from the date of this contract.

1. I agree that I have read the cattery policies and reviewed the Kitten Sale Contract, and I agree to execute the Kitten Sale Contract at the time I choose my specific kitten and fund my reserve deposit.
2. The first available kitten that meets your specific request will be your first option. If we produce your requested kitten and you decline to purchase the kitten, you will have two more options before you lose your price lock, and you will be moved to the bottom of the waitlist. Your waitlist fee will still apply to a future kitten deposit as a credit until 24 months from the date of this contract.
3. If you do not select a specific color or gender, the first available litter will be your option, based on rank on the waiting list. If you pass on any of the kittens in the first available litter, you have two more litters to choose your kitten. If you do not choose from three offered litters, you lose your price lock and you will be moved to the bottom of the waitlist. Your waitlist fee will still apply to a future kitten deposit as a credit until 24 months from the date of this contract.
4. At no point will this deposit be carried over past 24 months from the date of this contract. If you have been offered kittens and declined, and this contract passes the 24 month date, you will forfeit your deposit. If, at any time within the 24 month contract period our cattery closes permanently and ceases operations, and your deposit is still pending, your waitlist fee will be refunded.
5. Once a kitten or litter is 4 weeks old, you have 24 hours from notification to choose a kitten and pay your remaining deposit and sign the Kitten Sale Contract. We will communicate before that time to notify you of the pick day so that you can make arrangements to be available to answer within that 24 hour window.
