GreenGo Services Lawn Care Proposal

Hello! We're Monica & Anthony, owners and operators of GreenGo Services. As a small business making big waves in Southwest Florida, we're passionate about revolutionizing home and lawn care. GreenGo Services is proud to be the first and only fully battery-operated home and lawn care company in SWFL, setting a new industry standard with our eco-friendly approach to property maintenance. Our foundation is built on establishing lifelong client relationships, you can expect to know one another. We believe in a healthier, more comfortable lifestyle, which is why we exclusively use EGO POWER+ products—replacing noisy, gas-powered equipment with greener, quieter solutions. You can count on a clean-team on your property at all times!

Why Choose GreenGo Services?

Eco-Friendly | Quiet Operations | Powerful Results

- Eco-Friendly: Reduce your carbon footprint and support sustainable practices.
- Quiet Operations: Enjoy a quieter neighborhood with our low-noise equipment.
- Powerful Results: Our battery-operated equipment delivers consistent torque for reliable and precise results.

Eco-Friendly and Sustainable

Choosing GreenGo Services means reducing your carbon footprint, enjoying a quieter neighborhood, and breathing cleaner air in your own backyard—all while receiving premium home and lawn care services. Our battery-powered equipment allows us to operate with reduced noise and zero emissions, offering an ideal solution for those who want to make a positive impact on both their lives and their lawns. We're an "AMP-Powered" team!

Client Relationships & Service Tracking

Our commitment to building strong client relationships is supported by our Customer Relationship Management (CRM) program, ensuring clear and effective communication. Expect:

Real-time ETAs & updates, so you're never left wondering when we'll arrive.

Before-and-after photos, providing full transparency and accountability.

Detailed notes in your customer profile, ensuring a personalized, high-quality experience every time we visit.

Transparent and Fair Pricing

Our pricing process is designed with integrity and accuracy. Using satellite imagery, we precisely identify the areas to be serviced on your property, allowing us to offer fair and transparent rates. Additionally, we offer flexible budget options with separate pricing for the growing and non-growing seasons, so you only pay for the services you need, exactly when you need them.

Budget Flexibility and Economic Awareness

With backgrounds in finance, we understand the importance of budgeting in today's economy. Our seasonal pricing options help you plan your expenses effectively, allowing you to maintain cash flow for other priorities. We also believe in earning more when we work more, which is why, during the growing season, you'll see us up to four times a month to ensure you get the maximum value for your rate.

Who We Are

As meticulous, organized, and professional business owners, we pride ourselves on providing intentional service. We're passionate about delivering exceptional results and aim to exceed expectations with every visit. If our values and approach resonate with you, we invite you to experience the GreenGo difference—where eco-friendly meets excellence in both customer experience and home and lawn care.

Lawn Care Plans:
